There are many things you can do to protect against burglary. Look through our home security checklist for tips!

House Numbers

- ⇒ Clearly Visible
- ⇒ Illuminated

Doors

- ⇒ Solid core wood or metal or aluminum
- ⇒ Peephole or wide angle viewer in all entry doors
- ⇒ Windows located at least 40 " away from door locks
- ⇒ Door hinges protected from removal from outside

Recommendation _____

Locks

- ⇒ Deadbolt on all entry doors with 1.5 " throw
- ⇒ Striker plate secured with four 3 " screws

- ⇒ Adequate locks on all screen and storm doors
- ⇒ Locks on all sliding glass and double hung windows, including a Charlie-bar and/or keyed lock
- ⇒ Adequate locks on all out building and gate.

Recommendation _____

Lighting

- ⇒ Working porch light with at least a 60 watt bulb
- ⇒ Outside motion lights (mounted high enough to prevent them from being disabled)
- ⇒ Timers on inside lights used to give your home the "lived in " appearance when you are gone
- ⇒ Adequate outdoor lighting at all window areas
- ⇒ Garage door lighted with at least a 60 watt bulb

Recommendations: _____

Yard and Landscaping

- ⇒ Well kept
- ⇒ Windows free from obstructions (hedges, bushes, etc.)
- ⇒ Large trees trimmed so branches are a safe distance from upper level windows and balconies

Recommendation _____

Miscellaneous

- ⇒ Videotape or photograph all valuables and take a written inventory including serial numbers
- ⇒ Two separate copies of inventory, one at residence, one at separate, safe location
- ⇒ Engrave drivers license (Do not engrave Social Security number on any valuables!) on all valuables. (i.e. UT123456789)
- ⇒ A spare key left with a trusted neighbor or family member
- ⇒ Participation in an active neighborhood watch program
