POLICE OFFICER TESTING COMPETENCIES

Communication Skills – The ability to present ideas and concepts to others, including the public, in a manner that brings about commitment, understanding and commands respect. The ability to communicate various types of information in a clear, organized, understandable and grammatically correct manner.

Problem Solving/Decision Making – The ability to secure relevant information, identifying key issues and relationships from a base of information from a variety of sources. Identifying cause-effect relationships. Committing to the most effective solution after developing alternative courses of action that are based on logical assumptions and factual information.

Interpersonal Skills – Considers and responds appropriately to the needs, feelings, and capabilities of others and adjusts approaches to suit different people and situations. Resolves conflicts, confrontations and disagreements in a positive and constructive manner to minimize negative personal impact. Understands different personality styles need different approaches.

Personal Integrity – Deals forthrightly and honestly with people; treats others fairly; regardless of their background, personal characteristics, race nationality, ethnic origin, socio-economic status etc. Strives to be objective and impartial in relating to others and makes decisions based on fact rather than bias or prejudice; does not tolerate illegal or unethical conduct.

Interest/Motivation – The ability to show a drive to be a positive and ethical police officer. Has the desire to improve oneself. The ability to motivate themselves and those around them in a positive manner.

Community/Cultural Awareness – The ability to understand the differences between yourself and people from other countries or other backgrounds, especially differences in attitudes and values. The ability to treat people of different backgrounds in a professional and tolerant manner including stepping in when someone is not treating people with compassion, empathy and respect.

EXAM CONTENT

Candidates are required to score an overall final score of 70% or higher to be placed on the final hiring register. The examination process consists of an application review, oral interview, background investigation, background board interview, and final interview.

Phase 1 – Oral Interview and Preference Points

-Oral Board Interview

The interview will be related to the Police Officer testing competencies and will be “behavioral” (based on past experience) and/or “situational” (based on situations that could occur in the role of a Police Officer).

-Preference Points

Preference points will be added to the applicants final overall score after all phases of testing are completed.

Test Component Evaluators

Evaluators may consist of Unified Police Department personnel or subject matter experts outside the Department.
